YOUR OFFICIAL TEAM STORE GUIDE

SOCCER.COM™

GREATNESS GROWS HERE

We are honored to get to be a part of your soccer experience. My brother and I founded SOCCER.COM (back then Eurosport) in our parent's basement in 1984. We simply wanted to create a place to find the soccer gear that we ourselves wanted. Almost four decades later, we remain a family-owned company devoted to helping soccer players and their families play the game we love.

We remember that special moment, when after all the hard work, you earn your spot on the team and you put on the jersey for the first time. We're beyond proud to outfit each and every one of you and the dedicated families on the sidelines.
